

# Fabiana ZOLLO

Cà Foscari University

Fabiana Zollo is an Assistant Professor (tenure-track) in the Department of Environmental Sciences, Informatics and Statistics and leads Ca' Foscari's team. Her research investigates information and misinformation spreading, social dynamics, and the emergence of collective narratives on online social media. Since 2019, she is serving as an External Expert to the European Food Safety Authority (EFSA). In 2020, she has joined the Task Force "Data Science" at AGCOM, the Italian Communications Regulatory Authority, and the Working Group established by the Italian Presidency of Council to study the phenomenon of disinformation on COVID-19.
