

# Jim INGEBRETSEN CARLSON

Open University of Catalonia (UOC)

Jim Ingebretsen Carlson (PhD) is a Senior consultant at Open Evidence and behavioural economics researcher at Open University of Catalonia.

Prior to this, he worked as a post-doctoral researcher at Uppsala University and visiting the Institute for Economic Analysis in Barcelona.

He is an expert in behavioural economics and experimental design to assess and evaluate impact.

He has extensive experience working with large datasets applying statistical techniques such as econometrics, machine learning, statistical- and causal inference.
