EUMEPLAT

European Media Platforms: assessing positive and negative externalities for European culture

To which extent recent innovation in media sector is making European culture more European?

WHAT

EUMEPLAT explores the role of media platforms in fostering or dismantling European identity

HOW

EUMEPLAT analyzes indicators related to production, consumption and representation and looks for patterns on a national, regional and European level

WHY

EUMEPLAT provides policy-makers and societies with a better understanding of the contemporary media landscape and future scenarios
