ISCTE-Lisbon University Institute

Mali Üzelgün is an Integrated Research Fellow at the Centre for Research and Studies in Sociology (CIES-Iscte), and an Invited Assistant Professor at the NOVA University of Lisbon's Department of Communication Sciences.

He is also a founding member of the Munazara and Argumentation Ethics Research Center at Ibn Haldun University, Istanbul, where he is invited to teach discourse and argumentation.

Besides European Media Platforms (EUMEPLAT), his current research looks at young people's narratives and political imaginaries regarding climate change transformations (Project: Justfutures), as well as ethics of argumentation in the post-classical and present-day organized debate practices (Project: Argumunazara).
